IDEAS FOR FAMILIES

It's never too early to talk to your kids about philanthropy. Here are some ideas for how you can get your family involved in #GivingTuesday:

- **Ask your children to select a toy or gift to donate** to children in need.
- **Volunteer with your teens** in the local community.
- **Use the Family Dinner Project toolkit** to talk to your kids about giving back at family dinner. Work together to brainstorm ideas for how your family can help others.
- **Hold a neighborhood yard or bake sale** and donate proceeds to an organization of your choice on #GivingTuesday.
- **Help your kids collect spare change** or donate part of their allowance to a charity fund each week. Work with them on researching causes and charities and select a nonprofit to donate the funds to at the end of the month.
- **Ask your kids what they are thankful for** and encourage them to say thank you by doing something kind for others.
- **Make a family challenge to have each family member do at least one act of kindness per day.** Help with your siblings' chores. Open the door for a neighbor. Do one small act a day to make a difference.
